About Our Keycard Design: Lake Park's clock tower is a favorite village landmark. A frequent subject of drawings and photographs, it has become a symbol of pride and home to Lake Park residents. Our keycard image is a detail from an original illustration by Bill Kamm and is reproduced on the keycards with his permission.

Dr. Kamm served as Lake Park Village Manager, 1993-1995 and Lake Park Christian Academy's first Administrator, 1995-2006. In 2007, Dr. Kamm accepted the position of Assistant Professor of Education at Lee University in Tennessee.

The five-member commission serves the community with 1-2 council members and 3-4 professional volunteer leaders meeting monthly. The Resolution is available at the Village Office.
